RESPONSE AND REQUEST FOR CLARIFICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Notice of Missing Requirements received in connection with the above identified application, stating that Applicant's declaration does not comply with 37 CFR 1.497(a) and (b), identifying the application by the international application number and international filing date and that a late fee is now due.

However, Applicant requests clarification because as evidenced by the enclosed declaration, Applicant has complied with 37 CFR 1.497(a) and (b) because the international application number and filing date properly identify the application to which it is directed.

Accordingly, it is most respectfully requested that the Notice to File Missing Requirements be withdrawn and that the filing date of April 13, 2001 be accorded to this application since it was properly executed when filed. It is further believed that no fees are due.

Respectfully submitted,
BACON & THOMAS, PLLC
